

Greenfield Nursery School is non-statutory provision for early year's education. There is a proven link between attendance and punctuality and children's achievement at school.

Greenfield Nursery School is committed to promoting excellent levels of attendance and punctuality, enabling our pupils to take full advantage of the educational opportunities available to them.

**Regular attendance and punctuality are important because:-**

- Late arrival at school disrupts the routine of the classroom and the teaching and learning of others.
- Children who have poor attendance and punctuality find it more difficult to settle, to engage with learning and make friends.
- Absence and lateness impacts on the child's ability to participate and benefit from the curriculum on offer.
- Regular attendance and punctuality can help form good habits and promotes the development of a positive attitude towards learning and school.

**RESPONSIBILITIES**

- Greenfield Nursery School is responsible for supporting the attendance of children and for dealing with problems which may lead to non-attendance.

**We aim to work in partnership with parents.**

- Greenfield Nursery School, as required by **Hertfordshire Education Authority**, will complete attendance registers twice a day, at the beginning of each session.
- Greenfield Nursery School will mark in the registers differences between absence for medical reasons and holidays and children who have arrived late.
- Staff discourage lateness and registers close at **09.00am** and at **12:40pm**.

Arrival after these times will be marked as 'late'.

**Procedures for following up absence**

- Staff note all absences using the appropriate symbol in the register.
- Absences are recorded, monitored and filed in the office.
- First day response procedures are followed by text message for any absent children, whose parents have not already contacted the school.
  - If a child is absent without a reason for two days a staff member will telephone the parents/carers to enquire the reason for absence.

- Parents/carers are politely reminded of school policy and their responsibility to inform the school of the reasons for their child's absence.
  - Notes from parents regarding a pupil's absence will be stored in the class registers.
  - If a pupil is persistently late or absent the Head Teacher will contact parents either by phone or letter.
- If this continues to be an issue the Head Teacher will invite the parents into school to discuss any problems.
