

EARLY YEARS PUPIL PREMIUM – Planned expenditure and intended Impact 2020-2021

Early Years Pupil Premium provides funding for children whose parents are in receipt of certain benefits, such as income support, or who were formerly in local authority care but who left care because they were adopted or were subject to a Special Guardianship or Child Arrangements order. We have been able to claim up to £302 a year for children who meet the criteria for the funding. This has been used to support children’s development, learning and care in order to close the attainment gap.

The Early Years Pupil Premium Funding which Greenfield Nursery School has received has been used to make a contribution to the cost of a range of intervention and support programmes. This contribution ensures that all our children are supported in their learning and make the best possible progress.

We are very keen to access EYPP funding so we can ensure that we are providing the best start for all of our children. All families will be asked to fill in the relevant section of the funding declaration form given out when their child joins our setting which will allow us to claim the funding for all eligible children. Eligibility is checked simply using a [parent/carer’s](#) National Insurance number.

Overview of the funding for 2020-2021 Number of Children and Early Years Pupil Premium Funding Received

Number of Children & Early Years Pupil Premium Funding Received to date	
Total number of Nursery children eligible for EYPP	Autumn 2020– 27
	Spring 2021 - 29
	Summer 2021 -
Total number of Pre-School children eligible for EYPP	Autumn 2020– 0
	Spring 2021 – 5
	Summer 2021 -
Total EYPP expected budget allocation 2020 – 20201(based on 27 eligible children)	£8181 approx
Actual Income for 2020-2021	

Priorities for 2020 – 2021

1. PSED- Transition and Wellbeing
2. Language and Communication
3. Mathematics
4. Implementation of ITMP
5. Individual needs
6. COVID Lockdown (Spring 2021)

Area of need – Personal, Social and Emotional Development -transition and wellbeing <ul style="list-style-type: none"> • Employment of additional part time staff members to assist KPs in supporting transition and wellbeing into Nursery up until December 2020 - £1750 • Resources to support specific needs and interests - £370 • Implementation of ITMP to meet children’s learning needs- ENVIRONMENT- £0 • Behaviour support training - £120 • Starting school books £100 	
Area of Need – Language and Communication Provision <ul style="list-style-type: none"> • Wellcomm – assessment and interventions- £0 	
Area of Need – Individual Provision <ul style="list-style-type: none"> • Fencing of the Nursery Garden - £299 	
Actual Income for Autumn £2667	
Total Spend: £2639	
Nature of planned support and expenditure Spring 2020-2021	Expected Budget £3400
Area of Need- Communication and language <ul style="list-style-type: none"> • resources £600 • books £130 	
Area of Need- Involvement and Wellbeing <ul style="list-style-type: none"> • resources £300 	
Area of Need- Physical Development <ul style="list-style-type: none"> • Pre- School garden £500 	
Area of Need- COVID Lockdown <ul style="list-style-type: none"> • Vouchers £725 	
Total Spend: £2255 (28.01.2021)	

Expected Impact of Interventions

Monitoring the spend

The interventions are monitored throughout the year by senior leaders. Termly children's progress meetings focus on outcomes for individual children. Progress and attainment is tracked through assessment processes. Meetings with each child's key person and the evidence in individual learning journals as well as information from regular assessments are used to measure the impact of the interventions. Staff moderate their judgements and discuss with colleagues what has worked so that good practice can be developed further.

Expected Impact:

Children entitled to EYPP funding are to make better than expected progress in the prime areas & communication and language.

All children will benefit from an additional adult in the classroom. We should see an increase in children's involvement and wellbeing assessed using Leaven Scales.

All children should benefit from WellComm assessments and intervention. Specific areas of Speaking and Understanding will be targeted during children's play depending on their assessment.

Impact Measures;

- Early Years Outcomes Statements
- Early Years Development Journal
- Teacher knowledge and learning journals
- Leuven Scales
- Characteristics of Effective Learning
- Wellcomm records
